Announcement

Opening of DUSELDORF REPRESENTATIVE OFFICE

NRS CORPORATION (headquartered in Chiyoda-ku, Tokyo; Shingo Togi President and COO) is pleased to announce that it has opened a representative office in Dusseldorf, Germany in May 2022.

The company is engaged in a wide range of businesses in the chemical logistics field, including transportation, tank yards, warehousing of hazardous materials, leasing and sales of shipping containers such as ISO tank containers, and international intermodal transportation. By expanding our business in Japan to Europe, we intend to increase our presence in the region.

This October, we changed our Japanese company name from "K.K. Nichiriku" to "NRS CORPORATION", making "NRS" the unified brand of the group. The NRS GROUP is committed to making further global contributions as "One NRS" by further strengthening the unity of the Group in the global chemical supply chain.
