Completion Ceremony of NRS Kumamoto Branch

NRS CORPORATION is pleased to announce that it conducted the completion ceremony for the Kumamoto Branch, its third location in the Kyushu region, on July 12th.

The Kumamoto Branch will open for business on August 1, as a comprehensive logistics site in Ozu town, Kikuchi-gun, Kumamoto Prefecture, to meet the growing demand for chemical logistics in Kyushu. We aim to contribute to our customers' supply chains, particularly in temperature-controlled chemicals such as semiconductor raw materials and high-pressure gases, by providing one-stop logistics services.
