Held “Bring Your Kids to Work Day”

NRS CORPORATION held a "Bring Your Kids to Work Day" on July 31st. The purpose of the "Bring Your Kids to Work Day" is to promote a better understanding of work among family members, to promote work-life balance, and to enhance communication within the company by allowing children of employees to visit their parents at their workplaces.

On the designated day, nine children visited the NRS headquarters located in Kanda-Nishikicho, Chiyoda-ku. After receiving an overview of NRS GROUP's business, the children participated in workplace experiences, including exchanging business cards and visiting their parents' workplaces. The children exchanged business cards with the Chairman and the President in a nervous but confident manner, and shared comments such as, "I was thrilled to sit in the President's chair."
