3-7-1 Kanda-Nishikicho, Chiyoda-ku
Tokyo, Japan

September 8, 2023

NRS CORPORATION is honored to have received a "Certificate of Appreciation" from the Japan Association for Safety of Hazardous Materials.

NRS CORPORATION is pleased to announce that we have been recognized for our efforts in safety management and disaster prevention in hazardous materials transportation and collaborated with the Japan Association for Safety of Hazardous Materials in the production of their promotion video, contributing to the advancement of their awareness and outreach initiatives. On September 6th, we were presented with a Certificate of Appreciation from Chairman Yoshiyasu Hyotani of the Japan Association for Safety of Hazardous Materials.

We are committed to continuing to contribute to a sustainable society by providing safe and high-quality logistics services.
