Participation in the Ozu Town Environmental Beautification Campaign

On October 1st, NRS CORPORATION participated in the "Ozu Town Environmental Beautification Campaign" activity organized by Ozu Town, where our Kumamoto branch is located. On the day, employees from our Kumamoto branch conducted a cleanup activity on the sidewalks around Milk Road, which is adjacent to our Kumamoto branch.

NRS GROUP is committed to continue its social contribution activities, including this cleanup initiative and other environmental beautification efforts.
