NRS Held “Bring Your Family to Work Day”

NRS CORPORATION held a “Bring Your Family to Work Day” at the Chiba Logistics Center on August 22. The purpose of the “Bring Your Family to Work Day” is to promote a better understanding of employees’ work among family members, to support work-life balance, and to enhance communication within the company by welcoming families into the workplace.

Twenty family members, including children, visited the Chiba Logistics Center in Ichihara City, Chiba Prefecture. After an introduction to the NRS GROUP’s business and the role of the Chiba Logistics Center, the families joined facility tours that included rides in trucks and on forklifts, as well as a visit to a sub-zero refrigerated warehouse. In the afternoon, they took part in a quiz event and a business card exchange with employees, which provided opportunities for interaction. At the end of the day, families shared their impressions, commenting, “It was fun to exchange business cards with Dad’s colleagues,” and “I was happy to see how they work.”

NRS GROUP will continue its efforts to strengthen employee engagement, foster connections with families, and provide learning and experiential opportunities for future generations.

Event Highlights

- Company and Chiba Logistics Center briefing
