Announcement Opening of New DG Warehouse in Shanghai

NRS CORPORATION is pleased to announce that NRS LOGISTICS SHANGHAI CO., LTD. has commenced operations at its new DG warehouse in Shanghai in April.

This newly opened warehouse is located in Jinshan District, Shanghai, where many chemical manufacturers are concentrated. The facility has a total floor area of 1,500 m², of which 500 m² is temperature-controlled space maintained at +2°C to +8°C. This warehouse is also capable of handling more than a thousand types of chemical products. Looking ahead, we are also considering the addition of bonded warehousing functions and the operation of sub-zero temperature warehouses, enabling us to provide diverse solutions to meet expanding and increasingly sophisticated logistics needs.

NRS GROUP will continue to promote the advancement of logistics solutions from a global perspective and strive to optimize our customers' supply chains.

◆Overview

Location: Jinshan District, Shanghai, People's Republic of China

Start: April 1, 2026

Note: Temperature-controlled room operations will begin upon completion of construction (scheduled for around June).
