NRS GROUP Safety Convention was Held

On May 23th, NRS GROUP held the "2026 Safety Convention for Bulk Logistics Business Division."

1. Purpose of the Safety Convention

The Safety Convention aims to instill and reinforce a high level of safety awareness, share initiatives to prevent the recurrence of accidents and incidents, and enhance on-site capabilities.

By sharing the achievements and challenges of safety activities at each business site, it also seeks to improve safety quality across the entire organization and promote the development of a strong safety culture and workplace environment.

Through these efforts, NRS will further strengthen its core values of "Safety" and "Quality" and support its sustainable growth.

2. Overview

In the 2026 Safety Convention, under the motto "Drivers as frontline ambassadors," eight sites from the Bulk Logistics Business Division—where drivers who confront risks daily as the face of NRS and strive for safe operations are based—gave presentations on accident prevention measures and their safety initiatives.
