NRS Held “Bring Your Family to Work Day”

NRS CORPORATION held a “Bring Your Family to Work Day” at the Chubu Logistics Center on August 21. This is the fourth edition of the event. The purpose of the “Bring Your Family to Work Day” is to promote a better understanding of employees’ work among family members, to support work-life balance, and to enhance communication within the company by welcoming families into the workplace.

Eleven family members, including children, visited the Chubu Logistics Center in Yatomi City, Aichi Prefecture. After an introduction to the NRS GROUP’s business and the role of the Chubu Logistics Center, the families toured the automated warehouse and temperature-controlled warehouse, experienced getting on a stationary forklift, and took part in a packaging activity. During the business card exchange exercise, they also had the opportunity to experience the workplace atmosphere through interaction with employees. At the end of the day, families shared their impressions, commenting,

“I was surprised by how large the warehouse elevator was,” and “It was exciting to visit my mother’s workplace.”

NRS GROUP will continue its efforts to strengthen employee engagement, foster connections with families, and provide learning and experiential opportunities for future generations.

Event Highlights

- Company and Chubu Logistics Center briefing
- Warehouse and office tour
- Business card exchange with employees’ colleagues
- Hands-on packaging activity
